WHEREAS, the Governing Body of the City has not divided the City into more than one sewer district, and as such the City constitutes one sewer district, and therefore the City is exempt from the provisions of the Act in so far as providing for the levying of a tax or assessment against specific lots and pieces of property in separate sewer districts of the City, and

WHEREAS, it is found by the Governing Body that such project will not cause a duplication of existing utility services furnished by a private utility, and

WHEREAS, the total estimated cost of the Project is to be paid in part from the proceeds of a \$500,000 Community Development Block Grant to the City with the balance to be paid from the proceeds of general obligation bonds to be issued by the City pursuant to the Act.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF BURLINGAME, KANSAS:

Section 3. The City both reasonably expects and intends to finance \$890,000 of the costs of the Project from the proceeds of general obligation bonds of the City.
