

Burlingame Disc Golf Sponsorship Opportunities

**HOLE 1
Sponsored
by:**

**Name &
or Logo
HERE**

The City of Burlingame has partnered with the Burlingame Rec & USD 454 and have approved the construction of a 9-hole Disc Golf Course. The course will begin on the south side of the pool.

Disc Golf is a growing sport. Having a course in Burlingame will provide all community members with one more outdoor activity at no cost to play.

Each hole will have signs recognizing sponsors. There will also be an opportunity for smaller contributors to have their name on the main sign at the first hole.

Hole sponsorships are a minimum of \$250 donation to the project. Donors between \$50 - \$249 will have their name on the large acknowledgment sign.

Donations will be accepted until project funding is secured. For more information or to donate, visit or reach out to Burlingame City Hall between 8-5, Monday through Friday.
